Several years ago we were on holiday in Crete and woke up on the last morning to a power cut and torrential weather.

The coach eventually arrived for the 2 hour journey to the airport and we found that our problems paled into insignificance to those who were on remote islands and the boats could not get to them because of the high seas.

When we reached the airport it was closed due to the weather! However we did eventually take off and climbed through about 30,000 feet of cloud until we eventually reached a clear blue sky.

It occurred to me at the time that this was a bit like life. Sometimes it is difficult to “see the wood for the trees” but as times goes by life often does get better.

It is sometimes difficult to remember that when the weather is dreadful as it has been for some time now that above the cloud the sun is shining.

We are fast approaching Armistice Day and Remembrance Day. Often a very difficult time for many people.

It is very difficult for those who have lost loved ones in all the conflicts and memories run deep.

In 2 Corinthians 12: 7 - 9 the Apostle Paul talks of a “thorn in the flesh” “No one really knows what it was but it was obviously a real burden to him.

He pleaded three times with the Lord for it to be taken away but the Lord said to him “My grace is sufficient for you, for my power is made perfect in weakness” The Greek word for Power is the same as our word for dynamite.

This is the power the Lord gives to each one of us when we ask Him. Problems are supposed to strengthen our faith and at times it is difficult see how this can be but if we remember the illustration I used at the beginning, when problem occur we can claim the power that comes from the Lord.

This is never easy but something we all need to learn. He is there all the time but sometimes we move away from Him and we need to learn how to walk closely all time.

Torver Community Carol Service and Meal

Put it in your diary now! A lovely Festive evening starts with a traditional Carol Service in St. Luke's church, followed by a hot meal for everyone in the Old Schoolroom. Last year Father Christmas came but we haven't sent him our letter yet, so it will be a surprise for everyone! If you would like to bring a savoury or sweet dish it would make the meal a banquet and most appreciated...but not essential. It will also be the evening that we draw the 100 Club numbers, so if you haven't got yours yet, be sure to call Hazel Bowness on **01539431869** before the evening and you might be a 'winner' on the night! It's a great Christmas gift too if you are struggling for ideas, only £25 for the year and half goes to maintaining the Schoolroom, half in prizes. It would be great to have 100 members...could you be the 100th? Now that would be something to celebrate!

Greek Dancing at The 100 Club!

September 23rd. created many happy memories for us all as local residents George and Sarah Stergiakis hosted the 100 Club village social with a wonderful Greek 'taster' evening.

A specially prepared and sourced Greek buffet was a very 'tasty' focus for the evening along with a quiz, music and some well-rehearsed and instructed Greek dancing! The evening was a great success and enjoyed by locals, friends, guests and....young people! You can't get much better than that! huge thanks to Sarah and George. Their evening raised £95 which I goes towards the maintenance of the Schoolroom. Thank you to everyone who came, gave raffle prizes, bought 100 Club numbers and enjoyed supporting this regular event. September's 100 Club Prize Winners were:

£50 H&J Lace. £30 J. Aicheson. £20x3, J. Hadwin, M. Brackwell, T. Raven. £15x2 R&A Inman, D. Adams. £10x5 L. Askwith, F. Mavers, A.McClusky, H. Bowness, N.Monk.

You too could be a winner at the Christmas draw December 10th. Contact Hazel Bowness on 015394 31869 for details. Only £25 a number! Draws take place four times a year.

St. Luke's Torver Biker Church

After an amazing Summer serving many bikers from all over the country our locally sourced 'Full English', we now enter the quieter winter season.

Our first Sunday each month will follow the same pattern, a short, informal service in the Old Schoolroom followed by a hot breakfast together. Everyone, including 'brave' bikers will receive a warm welcome at the 9am 'Thought for the day' worship service, followed by a hot breakfast! We look forward to seeing you again soon.

Torver and Coniston Café Church 26th November

In The Reading Room Coniston at 6pm.

The format for 'Winter' Café Church in the Reading Room, Coniston Institute is changing slightly. We will start at 6pm with worship followed by the invited speaker's talk about their faith journey, or specific encounter with God that changed their life. This will be followed by a hot supper and enjoying sharing the time together. The evenings are welcoming and inclusive for all, whether you are a church goer or not. It is so encouraging to hear real examples of how God impacts individual lives today in all the circumstances we meet as we journey through life. If you have never been, do come along. Café Church is always on the 4th Sunday evening of each month [but not December].

This Month

Alex Stewart from Coniston Christian Fellowship is speaking. He and his wife Ruth, now living in Coniston, have an incredible story to share from their life and time running a remote General Practice Medical Clinic in the wilds of the Himalayas. 6pm.Sunday 26thNov.

Coming of Age: Ruskin's Drawings from the 1840-41 Tour

Ruskin, aged 21, travelled with his parents through France and Italy on a tour lasting from September 1840 to June 1841. Working their way along the coast of Italy through Genoa, Florence and Pisa they spent December in Rome before moving on to Naples early in January 1841. The return journey took them via Rome in March to Florence and Venice, and back through France. Using the young Ruskin's spectacular drawings, this exhibition provides a vivid visual account of the Ruskin family's travels.

Coniston by Saturday 4th November

Message from Jim and Julie:

As we are retiring from the Ship Inn, we will be having “a bit of a do” (buffet!) on Friday 27th October to which All are invited. See you there!

A new Captain is taking over “The Ship Inn” Bowmanstead (Coniston)

On 2nd November 2017 a couple who have been The Ship Inn’s patrons for decades and are now making the move behind the bar.

The Ship’s New Captain, Jean Sullivan, who has a career history in Leisure, Sport and Education, said: “As an outdoor loving family, with six grown up children, we’ve been coming to Coniston for over 20 years, and we have always loved this pub. It’s not just any pub, it’s got a great family feel and I can’t quite believe that The Ship Inn is now ours to develop and run.”

The Ship’s First Mate: Peter Adamson an Engineer by trade explained “What we love about The Ship Inn is it has a solid reputation with ‘in-the-know’ explorers and campers, as one of the finest places for eating and drinking in Coniston. The background music varies between old school disco to hip hop and everything in between, open 7 days a week ‘til the wee hours at weekends, you might even see yourself tapping your toes or moving the tables for a dance.

There is a quiet excitement in the air from the current Ship Crew Members: Chef Tony, barmen Luke and Finn and waiting staff, who are all staying on board. The only addition to the team with Jean and Peter is Millie, a very friendly King Charles Cavalier who will welcome you with a paw on the promise of a treat.

We have plans for a new Entertainment Menu starting in December with Our Opening **Welcome Night** which will be held on Saturday 2nd December from 6pm further explains Jean.

Free bubbly and 5% off main meals along with Fizzy'z Fun Quiz and 24 Fret Acoustic Duo will entertain you with various classics from Country, Blues, Rock, Pop and Mowtown. You won't be disappointed – unless you don't come.

There are other plans in the pipeline as well, Peter said: "We want to get involved in community events and we've got a great bunch of locals, we just want to understand what they're looking for?"

The Ship Inn is also opening its doors from **2nd December with a New Christmas Festive Menu.....**

Christmas Day doors open 12.00p.m to 3.00p.m with Traditional 4 Course Menu for £30.00 or £15.00 for the smaller pallet. (Advance booking essential). Evening opening is from 6.00p.m - bar only.

Boxing Day onwards Food serving times remain the same as for winter 12.00p.m to 2.00p.m and 6.00p.m to 8.45.

New Years Eve = Fizzy'z Just for Fun Quiz, and "Just Joking, Rocking n Karaokying" from 8pm

Small refurbishments will be carried out within the first months, as well as lots of training and development of the team but interruptions will be kept to a minimum.

Finally Peter and Jeans would like to wish Jim and Julie the very best of luck as they sail off on a new adventure towards calmer waters of retirement.

Concert held at St. Andrews Church on Friday 13th October

A big thank you to St. Andrews for providing the venue and Windermere & Bowness Choir and Hawkshead Wind Band for an entertaining evening. Total raised for St.Mary's Hospice was **£425.50** Thank you to all who came and those who helped on the night. Coniston Support Group for St.Mary's.

Oxfam

Hello - my name is Mary Clark, the manager of the Oxfam shop in Ambleside & we desperately need your help. We are a wonderful, dedicated team, but are so sparse in numbers that we find ourselves having to close on a regular basis & are in danger of closing permanently. Can you help us to stay open? We would love to meet you – volunteering is a great way to make new friends, have a break from the day-to-day, to learn new skills & to share your own personal knowledge & experiences with others. It looks great on a CV & can be so rewarding. There are so many things we need help with including social media, volunteer recruitment, community engagement & marketing as well as window dressing, working on the shop floor, the till & the sorting & pricing of the vast range of donated goods that we get in. Pop-in for a coffee & chat, call me on 015394 34487 or e-mail me at oxfamshopf0307@oxfam.org.uk. We reimburse travel expenses so you should never be out of pocket.

Please give a shift and help us to reach our goals of ending poverty and let's keep our Oxfam shop in Ambleside open. Thank you.

Mothers' Union Report

Following the national theme of 'Communication' for this year, the speaker for our September 28th meeting was Janice Eadington on 'Open the Book'. She began by explaining how it worked and how they became involved and the schools they visit. This was followed by a dramatised version of the story of Moses and the Burning Bush with props (a burning bush, snake etc.), costumes and six members of the Open the Book team talking and acting the parts with Coniston members being given Sheep masks to wear! The language was simple with explanations suitable for primary aged children to understand. We could do with some men to help us do it in Coniston Primary school, any offers? Also following the Theme of Communication the speaker for our October 19th meeting is Prof. Sheila Crispin on 'Communication in the Animal World'. All animal lovers are welcome as it is going to be an interactive session! No computer or slides just, Sheila and animals.

Our last meeting for the year is an Advent Celebration on November 30th.

Members have also been joining in diocesan events. Two attended and Archdeaconry day at Cartmel, two sang at Stavely / Ings, who were celebrating a birthday and Mary Sumner Day and at the Abbey Nursing Home, also at Hollow Oak Nursing Home. Two members attended a Quiet Afternoon at St James Barrow while another went to the Mother's Union AGM in Edinburgh.

Do join us for any or all of our meetings. They begin at 2pm at St Andrews Church. Both locals and visitors are very welcome to just turn up or contact Kay Shepherd Tel 4155

I've just started a new job with an auto-enrolment pension. Do I have to join the scheme? I'm worried about meeting my living costs if I do.

Even if retirement is a long way off, or you feel you can't afford it, it's still worth starting a pension. It can offer you financial security once you've stopped working and it's good value for money as your contribution gets topped up by both your employer and the government.

If you're worried that auto-enrolment will make it harder for you to keep up with your living costs, ask your employer how much your monthly contribution will be and work out whether you really can't manage to pay it. Also check if you can claim tax credits or benefits, like Universal Credit. If you do decide to opt out, you'll need to tell your employer, because you will be automatically signed up to auto-enrolment. Make sure you do this within one month to get a refund on the contribution you've made.

Over the past year, I have been getting into debt as my wages don't keep pace with inflation. Every time I reach my credit card limit, the company increases it automatically. At first I thought this was wonderful but now I can't see how I will ever repay it. What can I do?

Citizens Advice have found that many people are in your situation – irresponsible credit card lenders are pushing people further into the red by raising their credit limit without checking their ability to repay it. It's really important that anyone who is struggling to pay off their credit card seeks debt advice as soon as possible. Citizens Advice can help you to work out the best way to manage your finances and strategies for repaying your debt. They can also help you to maximise your income, including any benefits or tax credits you may be entitled to. If you feel you are entering into a credit card debt spiral, get help as soon as you can.

Free, confidential advice and help is available from South Lakes Citizens Advice on any aspect of debt, consumer problems, benefits, housing, employment or any other problems. We have various outlets across South Lakeland and can also give advice over the phone – telephone 03444 111 444 for an appointment and help, 015394 46464 for debt and on-going enquiries. South Lakes Citizens Advice is a registered charity, No: 1118656 and company limited by guarantee, No: 6113551. FRN: 617574

Coniston Fireworks Committee

Thank you to those who were able to attend the Quiz Night at the Yewdale in support of our community bonfire and fireworks display.

Although small in numbers a great time was had by all, Jeff was a first class quiz master and the complimentary half time pizza and chips were delicious. Our grateful thanks to Jeff and Susie who 'topped up' the money raised on the night to £100!.

We are also grateful to those who could not come on the night but have supported the event with donations, total at the moment stands at £198.55.

We have also applied to the Parish Council for a grant towards this community event, which will be awarded in November.

All our buckets and posters are out in Coniston and surrounding area's, we just hope the weather is kind to us on the night.

To everyone who has helped with this year's event a big thank you from us all, we couldn't do it without our volunteer helpers.

1st Hawkshead Brownie and Friends Shoebox Appeal.

Thank you so much to all those people who have been working hard to provide a first Christmas gift for a child in Romania. There have been lovely hats, scarves, mittens, glove puppets, and rag dolls made on a chain around the village. I am looking forward to going out to deliver our shoeboxes on the 11th December for a week. This time they are going to the Carpathian mountain region. If you would like to sponsor a box or send some things then please just drop anything off at Oaklands Guest House on Yewdale road, I know the excitement it will bring to a child that has nothing.

Also both schools are taking part so parents please have a look at your children's toys and see if some are suitable for a box and make one up and hand it in.

The packing of the boxes is on 20th Nov - 22nd, from 1p.m. on the 20th and 11am the other days. Everyone is welcome to come along and help. I have organised free parking so get in touch if you are coming. 015394 41245, or email jandz@gmail.com

REMEMBER ME

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.

Now I am contented
That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.

When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.

So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.
